

July 25, 2010 Punxy Saddle Club Newsletter

Our show schedule has been fairly successful this year, in that the weather has cooperated so far compared to last year's rainy season. Hope everyone has had a good Summer so far. We still have a few game shows and member shows yet to come. Last week was a busy week for those families involved in the Jefferson County Fair, congratulations to all the kids participating. Hope everyone had a good time there.

Just to let everyone know the web site is only running at half capacity. That is why the newsletter is not on the "newsletter" page, and the "sponsors" are not on the sponsor page and there is no calendar. I have had a very difficult time communicating with and working with our webmaster even after contacting him several times by phone, email, text and in person. I will be uploading documents under the forms and flyers portion of the site as that is the only part I can edit. You can get flyers and membership applications there also. I am checking into a more efficient web design but this will take some time.

Next show is a member show Friday night at 6pm (July 30, 2010) weather permitting. If you can help out with the show please check in at the registration booth before the shows starts or contact Mary at 952-0095 this week. The kitchen may or may not be open depending if we have someone to work there.

JaneAnn McFarland,
Secretary
