Also, Gardiner's candy bar sales are going well, if you want some to sell please contact Mary at 952-0095. Membership applications were mailed last week, if you did not receive one, you can download one on this website, just look in "forms". Other projects pending are installation of a new gas line around club house, staining of arena fencing, erecting of a new fence around court yard, if you are able to help please contact Mary. Obviously these projects will be dependent on the upcoming weather and as time permits. Also there will be new windows installed in the club house kitchen by CRW as weather permits a needed repair.
